**Derbyshire Dales will move from local COVID alert level 'medium' to local COVID
alert level 'high' from
00.01 Saturday 31 October**

On the 31st October 2020 the **Derbyshire Dales** will move to local COVID alert level **“HIGH”**.

This means the following measures will be in place: -

- people must not meet with anybody outside their household or support bubble in any indoor setting, whether at home or in a public place
- people must not meet in a group of more than 6 outside, including in a garden or other space
- people should aim to reduce the number of journeys they make where possible. If they need to travel, they should walk or cycle where possible, or plan ahead and avoid busy times and routes on public transport

These measures will be reviewed every 14 days to consider whether they are still appropriate.
